Vehicle Delivery Information

Subject: Telephone Antenna Mast, Locating at PDI

Group: 00

Number: 99-01

Model(s): TT Coupe

2000

Date: May 14, 1999

Condition

Telephone antenna mast cannot be found at PDI.

Production

Prior to May 11, 1999: Antenna mast could be located with the PDI kit in the luggage compartment, the Owner's literature or in the plastic bag containing keys in glove box.

Beginning May 11, 1999: Antenna mast will be located in with the PDI kit in the luggage compartment only.

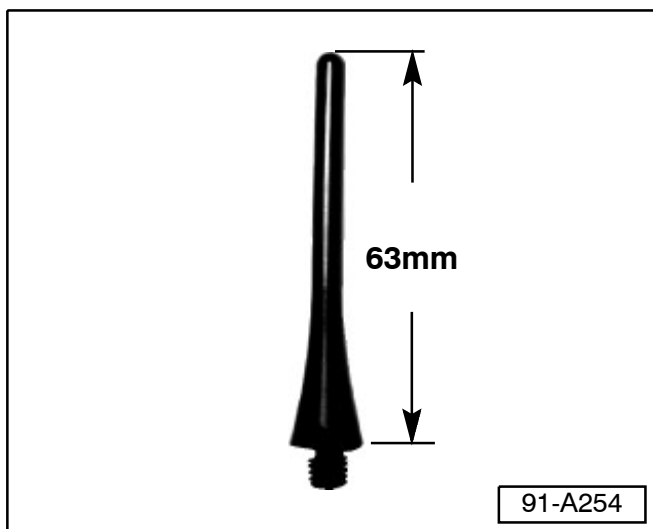

Service

◀ Telephone antenna mast is relatively short (approx. 63mm in length) and can be easily overlooked.

If antenna mast cannot be found in the luggage compartment, please check the vehicle glove box.

Note:

If the Owner's Literature was removed from the vehicle when the vehicle was received, the antenna mast may have been removed and stored with Owner's literature as well.
